****"Well you know my owner right? Well she and the others in her class are going on a trip to Point Reyes!"****

"COOL!"yelled Hamtaro.

"I know right?"said Karma.

"Uh...Just one question..."said Hamtaro.

"What is it."

"Where exactly is Point Reyes?"asked Hamtaro as Karma sweatdropped.

"It's somewhere in America in this one place called California."said Karma while she was trying to think of the exact(sp?) location on the place.

"Well where ever it is can we come?"asked Sandy.

"Yeah but its only the hamhams that have their owner coming on the trip, so sorry guys."

(btw its the same class as lauras class but i moved them up to sixth grade)

"So that means that only,Hamtaro,Oxnard,Karma,Panda,Pashmina,Bijou,and Penelope could go."said Cappy with a sigh.

"Hey what about me, can't i go?"asked Boss.

"But who would keep the others company at the clubhouse if you go, i mean your the the boss,Boss."said Cappy.

"Well I guess i can stay, as long as you bring me back something kay?"said boss.

"Gotcha boss man."said Hamtaro as he saluted him.(i have no idea how to spell that.)

"So Karma, when are they leaving?"asked Pashmina.

"Uh...let me think... in about..."said Karma as she started counting in her head,"about one week, it gives them time to pack,cancle anything they have during the week there,and anything else they need to do."finished Karma.

Then Oxnard raised his hand.

"Yes Oxnard?"said Karma.

"Are there going to be any smores?"asked Oxnard as everybody sweatdropped.

"Most likley yes,They are going to go to a campfire you know, or is it campsite, either way its going to be fun!"said Karma as she punched the air.

"Okwee okwee okwee okyou."said Penenlope.(translation I hope there isn't going to be any cats.)

"Most likely not."said Panda.

**"Dude so wish i could come."said
Stan.**

**"Sounds-zuzuzu-like-zuzuzu-fun-zuzuzu-"said Snozzer inbetween
snores.**

"Well we should start packing right?"asked Pashmina.

"There is going to be food there right?"asked Oxnard.

**"We are going to go on some adventures right?"asked
Hamtaro.**

"And where not zleeping on the ground right?asked Bijou.

**"And I dont know kay?"said Karma getting annoyed by all of these
questions.**

"Well I'm going to start packing."said Pashmina.

**Then Pashmina went to her room got her pink suit-case and went back
down.**

**"You dont bring suit cases you bring duffle bags."said
Karma.**

"But I don't have a duffle bag."said Pashmina.

"Well then why dont you get one?"asekd Karma.

**"Don't you have some one you needs karma?"asked Pashmina getting
really annoyed.**

**"You could have just said leave!"said Karma as she went to her
room.(btw she's a hamham now.)**

disclamer: for the last freakin time i dont own hamtaro!

and im making peneolpe talk cuz its a hassle typing okwee and okyou and putting down the translation

Chapter two: Gettin there

It was 7:00am the camper hams were getting there stuff together since they were going to leave to go to the cars to go to the airport to go to Point Reyes, in about...3 hours. They were all tying there sleeping bags up, but Oxnard, who tried 5,555,555 times finnnally cracked.

"WHY CAN'T I FREAKING TIE THIS STUPID SLEEPING BAG!"yelled a rather very angry Oxnard.

Oxnard Yelled so loud that...

Somewhere in Point Reyes...

"Whats all that yelling?"asked the Camp manager.

"Well I hope the class thats coming here isn't that loud."replied another manerger.

"Yeah I hope."

Back to Japan.

"Here let me help you."said Bijou as she tied Oxnards sleeping bag in under 30 seconds.

"Errrr..I knew that.."said Oxnard as he stared blankly at the sleeping bag.

"No problem, glad that I could help."said Bijou.

"Hey Bij, do ya need any help carrying you stuff?"asked both Boss and Hamtaro.

"Yes, thank-Q Hamtaro."said Bijou as she and Hamtaro went to her room to get there stuff leaving Boss to sulk off.

"Hey Karma, when should we leave?"asked Panda.

"Hmm...In about... two hours and thirty minutes."said Karma.

"Ok."

Then Pashmina asked, "Hey Karma are we going to sleep in tents or cabins?"

"Cabins, and yes were going on hikes, to the tidepools, and campfires.Does that answer all of your questions?"asked Karma.

"Yes, thank-Q"said Pashmina as she walked off to talk to Penelope.

After about two hours and thirty minutes Karma asked, "Ok so everybody went to the bathroom right?"

"Yes..."said all the camper hams in unison.

"Ok, good lets go!"said Karma as she and the rest of the camper hams went off towards the cars, lucky the cars were only about a ten minute walk away. Then suddnely Oxnard yelled.

"AAAAAAAAAAAAHHHHH!SOMETHING IS MOVING IN THAT BUSH!"yelled Oxnard.

"What?"yelled the camper hams together.

Then a brown and white hamster jumped out of the bush and right in front of them.

"Hey guys!"yelled the hamster.

"Who are you?"asked Penelope.

"I am SPARKY!"yelled well do I have to say?

Sparky was a brown and white hamster with brown ears and brown arms. He was wearing a necklace that looked like a thunder bolt and has a mark on hit stomach that looks like a thunder bolt.

"Oh hey Sparky, I haven't seen you in a while."said Karma.

"You know him?" asked Hamtaro.

"Of course I do, he used to travel with me, well until..."said Karma.

FLASH BACK TIME!

"**"Hey Sparky?"asked Karma.**

"**"Yeah Karma?"replied Sparky.**

"**"Why do you always travel with me?"**

"**"Well I uh..thats..err, well I can't tell you."**

"**"Ok then.."**

"**"I errrrr...gotta go."said Sparky as he ran off.**

END FLASH BACK

"After that he never traveled with me again,"said Karma, "well anyways, Sparky wanna come with us?"

"Shure ok."said Sparky as they started walking again.

After about nine minutes of walking they reached the cars. But since the hamsters were small they could all fit in to one car but they'd have to get in before the put the bags in so the went off to a part in the car were the humans couldn't see them and where they wouldn't get smushed by the bags.

Then they found a nice safe place where the humans couldn't see them and were they wouldn't get smushed by the bags.

After about forty-five minutes they arrived at the airport.

The camper hams sneaked into one of the girls purse and just waited till they got on the plane to get out.

After about another fifteen minutes the got on the airplane for the trip to California. Then after all the students fell asleep which took about ten minutes the camper hams crawled out of the purse to explore the plane!

But just when they got onto the walking lane they...

"Wait right there kittens!"said the 'cats' owner.

"Rowww..."whined the Cat.

"Now go back in your cage."said the owner as he put the cat back in the cage.

"Few, that was close."said Pashmina.

"We should just stay put for now..."said Karma as she and the others went under Laura's seat.

After about 18 hours of doing nothing they finnaly land at the airport.

"Uh oh we better get in the bag now.."said Karma as she and the others ran to the girls purse, luckily she left it on the seat to get her bag in the over head compartment.

"Oh theres my purse,"said the purse girl,(lol xD)",gosh why is it so heavy? Oh well."

Then after about 2 hours of driving, and about 1 hour at the Bear Valley Visitor Center or the BVVC, they finnally made it to the Point Reyes Campsite.

"Finnally where here!"said Sparky as he streached.

"Oh, look! theres the cabins! I heard one of the boys say that cabin four was haunted!"said Hamtaro. (yes one of the boys did say that .-.)

"If it's haunted im not going anywhere near that cabin!"said Pashmina.

"Come on Pash, it'll be fun!"said Panda.

"Let's go check it out!"sugested Karma.

"Uh uh! I'm notz going anywhere near zat cabin!"whined Bijou.

"Come on Bij! It'll be fun!"said Hamtaro as he dragged Bijou to Cabin four.

"Eh, might as well follow.."said Sparky as he and the others went to Cabin four.

"Where do you think that your going?"said the hamster.

"Uh.. in cabin four..."relpyed Hamtaro.

"You don't want to do that!"

***"Why?"**

***" 'Cause that place is haunted you do not want to go in there! You could be eaten by the crazy racoon that lives in there!" she replied. (yes there really was a racoon living in cabin four)**

***"Oh thanks for the tip uh whats your name?"asked Hamtaro.**

***"Oh sorry! My name is Surviva! (as mel says its pronounced 'Sir-vee-va)Who are you?"**

***"Oh I'm Hamtaro, and thats Pashmina, Panda, Penelope, Bijou, Oxnard, Karma, and Sparky"said Hamtaro as he introduced the 'camper hams'.**

***"Well it's nice to meet ya'll! It looks like the humans are going into the cabins right now so we should find our own place...how 'bout cabin four!" Surviva suggested.**

***"I zout you zaid zat there waz a crazy racoon in there."said Bijou.**

GASP** IT SPEAKS!"said a frightened Pashmina.**

***"Ok this way!"said Surviva.**

***"Ok Hamtaro will go on that bed, Bijou will go on that one, Penelope will go on that one.."said Surviva as she told the camper hams where to sleep.**

***"Wait, can't we choose where we get to sleep by ourselevs?"asked Pashmina.**

***"No."**

***"Why" **

***"Because..."Surviva began,"IM THE LEADER NOW PUT YOUR STUFF ON THAT BED!"**

***"Ok ok, Miss bossy."**

***"And Sparky, you can choose wherever you want to sleep.."said Surviva hoping that he would choose the one next to hers. (haha i changed something if you dont mind mel)**

***"Uh, thanks, I'll go on that one."said Sparky as he pointed to the one right next to Karma's bed.**

***"Acually, SCRATCH THAT! Your sleeping in the one next to mine!"said Surviva.**

***"What if i don't want to?"**

***"YOUR SLEEPING THERE AND THATS FINAL!"yelled Surviva with the anime fire eyes.**

***"EEK! Ok ok ok! Just don't kill me!"said Sparky as he threw his stuff on the bed next to Surviva's.**
